WATER OPERATING SECTION FOOTNOTES

Water Operation & Maintenance Expenses (Page W-05)

Acct 650 - A extremely large number of water leaks occurred in 1996 resulting in the higher prior year repair cost.

Acct 686 - 1996 had higher costs due to increased insurance and medical reimbursement costs; costs were lower in 1997.

Water Services (Page W-16)

Added service was paid for by customer since the main did not run by house

Four other services were added but are not in use at this time. They will be in use in 1998

Meters (Page W-17)

2 6" meters used at the well were not previously included in the meter schedule. They were not put in as adjustment because the program would not allow the retirement without a beginning of year amount.
